

Old Cutler Road Improvements (SW 208 Street)

Project History and Limits: The Town of Cutler Bay through a Joint Participation Agreement with Miami-Dade County Public Works Department has embarked in the reconstruction of our historically designated, Old Cutler Road between SW 97th Avenue to SW 87th Avenue.

Project Funding: People's Transportation Plan (PTP) & Town of Cutler Bay

Project Cost: Approximately \$7.5 million.

What is the Project providing: The project will improve public safety, ease traffic congestion, enhance traffic flow, enhance pedestrian mobility, improve function and flow of mass transit, a new storm water drainage system and beautify our neighborhoods with new street lighting, native landscaping, bus benches/shelters, bike racks, shared use-bike path, decorative coral rock walls, and roadway reconstruction/resurfacing throughout this corridor.

Project Schedule: Groundbreaking ceremony occurred on November 16, 2011. The roadway construction project commenced shortly thereafter and is scheduled to continue through the fall of 2013. Residents may experience temporary lane closures and shifting of traffic patterns throughout the course of construction. The Town is committed to continue to have Old Cutler Road open through the life of the project.

Town residents and/or business owners interested in obtaining detailed information regarding the Town's Old Cutler Roadway Improvements Project, can visit Town Hall on the second Tuesday of each month commencing January 10th, 2012 between the hours of 11:00 AM – 1:00 PM to speak "one-on-one" with the Town's Project Engineer/Public Information Officer. For additional information please contact the Town's Public Works Department at (305) 234-4262 and/or email your comments to: oldcutlerroadimprovements@cutlerbay-fl.gov. For additional project information please visit the Town's website at www.cutlerbay-fl.gov.

We are making every effort to reduce the inconveniences caused by the ongoing construction. Please let's work together for a better "Old Cutler Road".
