Special Election – Mail-in Ballot

On June 25, 2009, Miami-Dade County in conjunction with Cutler Bay will be mailing out ballots for two charter amendments. Miami-Dade County has requested that the Town amend its charter to eliminate the requirement that the Town separately contract with the county for specialized police services. Regular local patrol services will continue to be provided according to the current contract. In addition, Miami-Dade County Supervisors of Elections Office has requested that the Town change the qualifying periods for its elections to accommodate state law requirements for sending out absentee and early voting ballots. More information will be provided in the upcoming months.

Earth Day/Arbor Day Celebration

The first Cutler Bay Earth Day/Arbor Day celebration was a great success. It was an event where residents, family and friends came together to make a lasting impression on the community and for Mother Nature. Thank you to all of those who participated and made this event a hit.
