Earth Day 2010 – Saturday, April 24th

Cutler Bay will be participating in an exciting Earth Day event. The town will establish its first "Community Garden." A year-round garden for residents to grow their own seasonal vegetables. We will provide the materials and you provide the muscles! For more information, contact (305) 238-4166 or at www.cutlerbay-fl.gov.

Earth Day 2010 can be a turning point to advance climate policy, energy efficiency, renewable energy and green jobs. Earth Day 2010 is a pivotal opportunity for individuals, corporations and governments to join together and create a global green economy.

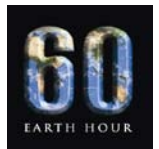

E-Brief News

Please Fill Out & Mail the 2010 US Census Forms Back

This month, census forms are being mailed or delivered to all households in Cutler Bay. When you receive yours, please answer the 10 short questions and then mail the form back in the postage-paid envelope provided. If you don't mail the form back by April 1, 2010, you may receive a visit from a census taker, who will ask you the questions from the form in person. The U.S. Census counts every resident in the United States, and is required by the Constitution to take place every 10 years. The 2010 Census will help communities receive more than \$400 billion in federal funds for our hospitals, job training centers, schools, senior centers, and emergency services. The data collected by the census also help determine the number of seats our state has in the U.S. House of Representatives. When we all answer the Census, our needs are heard; we can't move forward until you mail it back.

Earth Hour 2010

On March 27, 2010, an estimated one billion people around the world came together to call for action on climate change by doing something quite simple—turning off their lights for just one hour—Earth Hour. This global event shows clearly that by joining forces, each of us takes a strong stance to protect the planet for ourselves and for future generations.

Community-Wide Garage Sale – Scheduled for April 17th!

It's Spring Cleaning Time!!! On April 17th, the Town will have its first community-wide garage sale! Residents **do not** have to pull the already free garage permit for this event. This event will be held at individual homes throughout the Town, so bring out all of those unwanted items from 7:00am-7:00pm. One sign may be located on the residential property on which the sale is occurring and up to three signs are permitted to be placed on private property with the consent of the property owner. Size of signs – Not larger than 22"x28" Signs are **not** permitted on the public right-of-ways or swale area. Signs must be removed within 12 hours after the garage sale.
