

TOWN OF CUTLER BAY AMENDMENT NO. 4 TO EMERGENCY ORDER 20-04

The effects of COVID-19 continue to require extraordinary and immediate actions by the Town in order to further protect our residents’ health, safety and welfare. The Town’s parks and recreational facilities are potential gathering places for the spread of COVID-19. The data collected by the Florida Department of Health indicates the State has achieved several critical benchmarks in flattening the curve, including a downward trajectory of hospital visits for influenza-like illness and COVID-19-like syndromic cases, a decrease in percent positive test results, and a significant increase in hospital capacity since the issuance of Miami-Dade County Emergency Order No. ~~28-2029-20~~.
